### Affiliations/Membership

maaps, NARHA, CHADD, CAN, APA, LDA, CAPSEF, CEC, NAPSEC, and NEASC.

### Programs and Services

The Learning Clinic, comprised of the TLC Country School and the Rolling Ridge Program, offers research-based therapeutic education to improve mood, attention, and learning. In addition to academics, our program offers industrial arts, computer technology, visual arts, and wilderness programming. Also included is tutorial instruction, pre-vocational and vocational activities and individual, group, and family counseling. The day school operates from 8:15 a.m. to 2:00 p.m. on a regular school calendar. In addition, we offer social skills learning workshops on Monday - Thursday, 2:00 to 4:00 p.m. These activity-oriented workshops are designed and run by our trained staff, and monitored by our clinical staff. The workshops include horseback riding instruction and outdoor sports and activities. The Residential Program is in session for all non-academic hours, 365 days a year.

### Location and Facilities

TLC is located in the rural countryside of northeast Connecticut. The Rolling Ridge Program is situated on 300 acres of fields and woods with a farm, animals, and pond. TLC has 8 residences and an Independent Living Program all within 10 minutes of the day school programs.

### History and Philosophy

TLC is a private nonprofit program founded in 1980. Our goal is to increase each student's knowledge and self-confidence in academic and interpersonal pursuits.
